## Description

### Cleaning the 170ml Clay Square Cup Set

1. **Initial Rinse:** Before using the bottle for the first time, rinse it thoroughly with warm water.
2. **Regular Cleaning:** Clean the bottle regularly with mild dish soap and a soft brush. Avoid using harsh chemicals or abrasive scrubbers.
3. **Drying:** Let the bottle air dry completely before storing it to prevent any mold or odors.
4. **Deep Cleaning:** For a deep clean, soak the bottle in a mixture of water and a small amount of baking soda, then rinse thoroughly.
5. **Storing:** Store the bottle with the cap off to allow air circulation and prevent any residual moisture buildup.

### Advantages of the 170ml Clay Square Cup Set

1. **Natural Material:** Made from natural clay, this water bottle is eco-friendly and biodegradable.
2. **Health Benefits:** Clay has natural cooling properties, which can help keep your water cool and fresh. Drinking from clay containers is

believed to have health benefits, including improved metabolism and balanced pH levels.

3. **Taste:** Clay bottles can enhance the taste of water, giving it a refreshing, earthy flavor.
4. **Sustainability:** Using clay products reduces reliance on plastic, contributing to a more sustainable environment.
5. **Unique Design:** The triangular shape is not only aesthetically pleasing but also functional, making it easy to hold and carry.

## How To Use

### Mittikala Clay Square Cup Set (170ml)

1. **Initial Preparation:** Rinse the bottle thoroughly with warm water before first use to remove any residual clay dust.
2. **Filling:** Fill the bottle with clean drinking water, ensuring the cap is securely fastened.
3. **Storage:** Store the filled bottle in a cool, dry place. The clay's natural properties will keep the water cool.
